

## WESTERN STAR TRUCKS®

At Western Star we never run out of options. Here's one destined to become a niche-market standard...the LowMax 4900 EX.

Its "Classic" truck design and low-ride profile is an appealing choice for Chrome and Polish type owner/operators in search of something distinctive.

LowMax is nearly a foot lower than standard configurations — ideal for grain and cattle haulers, auto and boat haulers looking for a low vehicle profile...and a low center of gravity for improved road handling and stability.

The low ride and step height makes it easier to get in and out of the cab, improves engine and firewall service point accessibility, improves windscreen and makes the cab easier to clean.

Individualize it to the max with chrome and stainless accessories available only through Western Star dealers.

Western Star ownership has never been easier. Parts and Service support never better.

Our 200 plus North American Dealer network offers DaimlerChrysler Services flexible financing packages designed especially for the owner/operator.

Fleet Assistant® is a proven, customized proactive fleet support program for managing preventive maintenance and controlling parts inventories and warranties.

Roadside assistance is available 24 hours a day...many of our dealers are open 24/7.

Get the whole story.

Low Ride Height
- Rear: 40,000 lb.  
6.38" Ride Height AirLiner™

# LowMax...a low profile taken to a higher level.

The LowMax cab has been lowered nearly a foot from standard configurations, for an overall height under 104" with lights and horns removed and 275/70 R22.5 tires.

The elimination of the space between the cab and sleeper provides for a wider opening, a roomier interior and available swivel cab seats.

## Ride low. Run proud.

### LowMax specifications

LowMax is designed with a unique set of specifications engineered for niche market customers demanding the maximum in pride and performance.

- Model 4900 EX
- 132" BBC
- Set-forward front axle
- Cab and sleeper lowered 5"
- Minimum overall height: under 104" with lights and cab horns removed and 275/70 R22.5 tires
- Cat C-15 diesel engine
- 1300 square inch crossflow radiator
- 6" exhaust stacks with horizontal, low noise muffler
- 6.38" ride height AirLiner™ rear suspension
- 5"- drop Dana Spicer E 13201 front axle
- Low-ride height front suspension
- Premium interior trim options
- 62" Ultra Low Roof Sleeper

### Maximum quiet

The Western Star cab is famous for its quiet ride. But if that isn't enough, the optional Premium Insulation Package can reduce interior noise levels by an additional 3dBA or approximately 50%.

### LowMax Accessories

LowMax is shown with the following additional accessories available exclusively through your Western Star dealer:

- Gangster style sunvisor
- Bumper light bar — 20 light/closed back
- License plate holder — 2 plates, bumper face
- Life-Time full fenders
- Headlight fender guard, curved
- Grille deflector — 26.5" long
- Hood bug deflector
- Hood emblem accent
- Double headlight visors
- Rear air cleaner light bar
- Glad hand bracket trim panel
- Constellation rear frame panel
- Center rear light box
- Fuel tank skirts
- Glove box cover panel
- Park brake control valve trim plate
- Defrost vent deflectors
- Half-size wing deflector — 84" long

## Haul more. Sleep well.

### Maximum payloads

Western Star sleepers have earned a reputation for their quietness, workmanship and quality. Their durable, sandwich-panel design results in tremendous weight savings for larger payload capacities.

### 4 Sleeper Shapes/2 Sizes

LowMax can be spec'd with the following sleeper configurations and sizes:

- Ultra Low Roof: 62"
- Low Roof: 62"
- High Roof: 62" and 76"
- Ultra High Roof: 76"

### Personalized options

Customize your Western Star sleeper to reflect your personal style and taste, beginning with three optional cabinet finishes — SLS, SLX and SLG. Notable standard and optional features (not available on every model) include:

- 3 trim levels: Dakota, Mesa and Phoenix
- A variety of storage configurations
- Cab-mounted privacy curtain
- Raised fixed upper bunk with optional storage cabinet
- Premium Plus Noise Reduction Package
- Available Inverter and Grand Shore Power
- "Big Size" Nova Kool fridge
- Panasonic 9" and 13" televisions
- Sanyo 60W-110V microwave
- HVAC controls in sleeper
- Dinette Seating Package with table
- Wide choice of stereo systems

## You can't love a Western Star too much.
